Best Cards

FAQ

- > What are Beat Saber trading cards?
- > How are you able to get cards?
Every day everyone gain 4 packs of Beat Saber cards. One pack is one card. Packs can be opened by using the /Draw command on Discord where the Beat Saber bot can reach the command. Free daily packs are only given when you have 0 cards left.
- > How does the rarity system work?
- > How are the stats calculated?
- > What does the future of this card game look like?
